

## Who we are

An international Christian, humanitarian development, and advocacy organisation. It is dedicated to working with children, families and their communities worldwide to reach their fullest potential by tackling the root causes of poverty and injustice.

## Our vision statement

Our vision for every child,  
**life in all its fullness**

Our prayer for every heart,  
**the will to make it so**

# In FY-22,

WVB reached **4,679,832 people** to bring positive changes in the lives of children.

Amidst the fear of unemployment and food insecurity, **803,879 people** benefitted through livelihood and employment support.

**1,014,543 children and mothers** had access to health services and nutrition.

WVB transformed **165 villages into eco-villages** to adopt climate-adaptive livelihoods and environment-friendly technologies.

**543,717 children** were reached through improved implementation of laws and policies.
